

## ABSTRACTS

- Rehabilitation at home of adult stroke patients. K Stibrant Sunnerhagen, A Björkdahl, Å Lundgren Nilsson, G Grimby. 13th World Congress of the International Federation of Physical Medicine and Rehabilitation, Washington DC, USA, 1999. Poster.
- Hemrehabilitering av ”yngre” strokepatienter. A Björkdahl. Kvalitet 99, Göteborg 1999.
- Hemrehabilitering av ”yngre” strokepatienter. A Björkdahl, G Grimby, Å Lundgren Nilsson, K Stibrant Sunnerhagen. Läkarstämman, 1999.
- Caregivers burden of ”younger” stroke patients assessed by caregivers burden scale. A Björkdahl, K Stibrant Sunnerhagen, Å Lundgren Nilsson, G Grimby. 1<sup>st</sup> ISPMR, Amsterdam 2001.
- Caregivers burden of ”younger” stroke patients assessed by caregivers burden scale. A Björkdahl. Fourth symposium on Home Health Care, Göteborg, 2001.
- Perceived cognitive and social problems after stroke for patients and next-of-kin. A Björkdahl, Å Lundgren Nilsson. WFOT, Stockholm, 2002-02-11
- A comparison of ordinary out-patient rehabilitation program and a home rehabilitation program for younger stroke patients. A Björkdahl, K Stibrant Sunnerhagen, Å Lundgren Nilsson, G Grimby, 13th ECPRM, Brighton, 2002.
- The structural properties of European Brain Injury Questionnaire and its changes over time in patients with stroke. A Björkdahl, K Stibrant Sunnerhagen, Å Lundgren Nilsson, G Grimby, 2<sup>nd</sup> ISPRM, Prag 2003.
- STURA a way to work. A Andersson, A Björkdahl, A-S Byström, I Carlander, U Fredholm, A Karlsson, J Larsson, C Melin, 5<sup>th</sup> World Congress in Brain Injury, Stockholm, 2003
- The structural properties of European Brain Injury Questionnaire in patients with stroke. A Björkdahl, 2<sup>nd</sup> International Conference on Measurement, in health, education, psychology and marketing. Developments with Rasch Model, Perth, Australien, 2004.
- Back to work – outcome of a neuropsychological rehabilitation program. A Björkdahl, J Larsson, International Developments in Rehabilitation to Work, Östersund, 2005
- Does a short period of home rehabilitation facilitate functioning after stroke? A Björkdahl. 14<sup>th</sup> European Stroke Conference, Bologna, Italy, 2005
- What affects the burden of the next-of-kin after stroke? A Björkdahl, K Stibrant Sunnerhagen, 3<sup>rd</sup> International Conference on Neurorehabilitation, Hong Kong, 2006
- Process skill rather than motor skill seems to be a predictor of costs for a stroke patient in working age; a longitudinal study with a 1 year follow-up post discharge. ISPRM, Korea, 2007.
- Holistic neuropsychological group rehabilitation in Sweden. Satellite meeting in Neuropsychology, San Sebastian, 2007.
- Return to work after brain injury and prognostic factors. World Congress in

NeuroRehabilitation, Brasilia, 2008.

- BeMestra, bedömning av körlämplighet efter stroke. Kvalitetsveckan, SU, 2009.
- How can we tell who is aware? Who has the veracity? Eighth World Congress on Brain Injury in Washington, DC on March 10-14, 2010.
